

Dear Herbert and Susan!

i was *just* about to *loose all hope of ever possibly getting the shirts done in 24 hours**,* when you came along and said you'll do it in *SIX*! :D *(all the other T shirt printing shop i called rejected me and even laughed at my impossible request!)*

As i type now,* **I am wearing my awesome shirt* and *the rest of your wonderful T shirts are being distributed to my teammates...

Again, thank you for the very warm and personal service, and the magical 6-hour job!...
