

Hi Herbert!

Thanks so much for the amazing shirt! I was really impressed by the quality of the print and that you managed to pull it off super duper FAST! My friend was over the moon when I gave it to her for her birthday :)

I'm glad that I went with my gut and picked you out of all the other options in the yellow pages. I would definitely spread the word about your excellent services... and I'll absolutely go back to you to make more shirts!

Thanks again Herbert!

Catch ya later,

Jeannie
